### **ABOUT ME**

I am a licensed Medical Doctor (GMC – UK and MDCN – Nigeria) with over 4 years of clinical experience. For the past year I have been working full time as a freelance Patient Care Coordinator and Medical Scribe on Upwork, supporting U.S.-based healthcare providers remotely. I am experienced in care coordination, EMR documentation, clinical summaries, and keeping everything running smoothly behind the scenes so providers can focus on their patients.

### **SKILLS**

Care Coordination & Case Management | Medical Scribing | EMR Documentation | Care Plan Development & Updates | Provider & Care Team Communication | Identifying Care Gaps & Overdue Screenings | Chronic Disease Management | Patient Follow-Up & Advocacy | PHQ-9, GAD-7 & Functional Assessments | HIPAA-Compliant Documentation | Remote & Independent Work

### **WORK EXPERIENCE**

Freelance Patient Care Coordinator & Medical Scribe

Upwork — Remote, U.S.-Based Providers | December 2025 – Present (Full Time)

Supporting U.S.-based healthcare providers remotely with care coordination and medical scribing

Documenting patient encounters in real time, including history, examination findings, diagnoses, and treatment plans

Coordinating follow-up care, referrals, and making sure patients don't fall through the cracks

Managing care plans and keeping provider notes accurate and up to date in EMR systems

Handling prior authorizations, eligibility checks, and patient communication on behalf of providers

Freelance Patient Care Coordinator & Medical Scribe

Upwork — Remote, U.S.-Based Providers | Part Time | 1 Year Prior

Supported multiple U.S. providers part time with documentation, care coordination, and patient follow-up

Gained solid experience working across U.S. time zones and adapting to different provider workflows

Medical Officer

General Hospital, Isolo | April 2025 – December 2025

Coordinated care for outpatient and inpatient cases with a focus on chronic disease management

Communicated with care teams to make sure patient information was shared accurately and on time

Prepared clinical summaries and kept care plans updated across patient visits

Documented all encounters in the EMR and flagged care gaps that needed follow-up

Medical Officer

St. Angela's Hospital, Sapati | April 2024 – March 2025

Managed a caseload of chronic condition patients, updating care plans and tracking progress

Reviewed lab and imaging results and communicated findings to the right people quickly

Completed PHQ-9, GAD-7 and functional assessments as part of routine patient care

Identified red flags early and escalated urgent cases without delay

Medical Officer

FUNAAB Health Centre | April 2023 – April 2024

Delivered primary and chronic care, handling everything from assessment to documentation

Supported preventive care initiatives and kept patients up to date with screenings

Recorded all visits in the EMR with accurate diagnoses, treatment plans, and follow-up notes

Medical House Officer

Federal Medical Centre (FMC), Asaba | December 2021 – December 2022

Rotated through Medicine, Surgery, Paediatrics, and Obstetrics & Gynaecology

Built strong habits in patient clerking, record-keeping, and multidisciplinary team communication

### **EDUCATION & LICENSURE**

MBBS – Chukwuemeka Odumegwu Ojukwu University | Graduated 2021

GMC – General Medical Council, UK | Full Licence

MDCN – Medical and Dental Council of Nigeria | Full Licence
